CEYLON TEA FLOWER

Sourced from plantations nestled in the misty mountain regions of Sri Lanka, these are true treasures of the earth. Handpicked at the peak of their reproductive phase, each tea leaf is carefully chosen by expert hands to ensure a quality that sets them apart.

Subjected to a drying process that preserves their delicate flavours and aromas, these jewels are transformed into a brew with a light character and soft floral notes. With a gentle sweetness that soothes the senses, this tea is perfect for a tranquil, calming break.
